

QUICK START GUIDE

It's easy to join your first Preciate meeting or event. Jump in and experience Social Presence for yourself!

GETTING IN

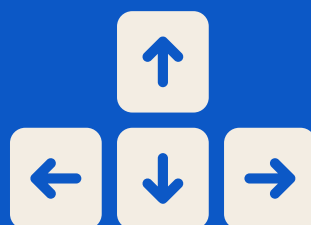

Preciate is supported on:

- Chrome, Firefox, Edge, and Safari desktop browsers
- Android devices

When you get to the waiting room, be sure your camera and mic are on. PCs do not share devices well, so turn off any other video platform before you join Preciate.

BASICS

- Use your mouse or arrow keys to move around the room. You are free to be yourself!
- Audio will change volume as you get closer to or further from others.
- You can turn the music down or off for just you.
- Use the mini-map to find your friends.

TIPS AND TRICKS

- Audio groups are formed automatically. 10 is the maximum size of an audio group.
- Groups of 4-5 are ideal.
- Use headphones for optimal audio quality.
- Use updated browsers and computers, if available.
- Zoom in and out to fit more people on your screen.
